Subject: Reclamation Surety, Certificate of Deposit for Wasatch Mountain Excavation,  Elite Rock West Mine Site, S0490050,  Utah County, Utah
Certificate of Deposit number; Principal Amount \$10,000
This letter describes the mutually agreed upon instructions of the below signed parties to
Barnes Banking Company, regarding the control, redemption, and release of Bank's above-
described certificate of deposit ("CD"), which is being used as a surety to guarantee the availability of
reclamation funds for the Elite Rock West mine site, Utah County, Utah. It is the
intention of the parties that the CD be utilized as surety to guarantee that \$10,000
in reclamation funds will be available to the State of Utah, Division of Oil, Gas & Mining ("Division")
upon demand in the event that the operator(s) of the Mine Site are unable or unwilling to complete
reclamation of the mine site in compliance with applicable state law and regulations.
Ownership and Renewal:
Ownership of the CD is retained by Wasatch Mountain Excavation, a S corporation, ("Owners"), but
it is held by Bank for the benefit of the State of Utah, Division of Oil, Gas & Mining and is subject to the
terms and conditions described in this agreement. The CD shall automatically renew indefinitely until
either redeemed or released by the Director of the Division. The Division may request CD information

### Redemption:

The CD may only be redeemed (i.e., called on demand), pursuant to the written instruction or demand of the Director of the Utah Division of Oil, Gas & Mining to the Bank. Upon the instruction and demand of the Director, the full initial amount of the CD shall be transferred to the State of Utah, Division of Oil, Gas and Mining. Owners agree and irrevocably instruct Bank that neither the Owner(s), nor any other person claiming an ownership interest in the CD which is derived from the Owners, shall have the authority to prevent the Bank from carrying out the Director's instruction to redeem the CD. Upon redemption, any accrued interest in excess of the initial amount of the CD shall be transferred to Owners' control, or if Owners do not instruct the Bank, the accrued interest shall be reinvested in the CD. If a signature card is prepared, it shall be drafted consistent with the requirement that only the Director of the Division may redeem the CD.

#### Release:

The Bank shall release the CD only upon the written instruction of the Director of the Division to the Bank. Upon release, the terms and conditions of this agreement are no longer in effect, and the unconditioned control of the CD shall be returned to the Owners, or their legal successors-in-interest. In the event of Bank cancellation/termination of the Certificate of Deposit, the Division may transfer the certificate of deposit monies into a state managed cash account to assure or complete reclamation if the Operator does not replace the Certificate of Deposit within the ninety days of Bank cancellation/termination notice. If the Bank is under a forced cancellation/termination, the Bank agrees to transfer or release the CD funds to a state managed cash account at the Division's request.

### Accrued Interest:

Prior to release or redemption, all interest which accrues by the CD shall be 1) dispersed quarterly to the Owner(s) as the Owner(s) may instruct the Bank, or 2) shall be reinvested in the CD until such time the
